# ROLL UP BANNER LARGE RECYCLE NO WASTE ? Large Roll Up

**INFORMATION** **DIMENSIONS** <sup>mm</sup>

The Everest Roll Up banner is made of durable aluminum with magnetic side connection parts, featuring 3m height. At the top of each banner stand, there are patented magnetic connectors that allow you to join together multiple units with a simple "click". Because of its size, it is a great alternative to pop-up displays and trade show booths. Set up is quick and easy, and users can adjust the height tilting lowering the Roll Up Banner. Additionally, a canvas carry bag is included. This Roll Up makes a great graphic mural in trade show booths, in press conferences, convention centers, in malls, expositions, retail stores or any other media event.

## INFORMATION

If you are looking for something bigger, the Mont Blanc Roll Up Banner is 2000mm wide, featuring an adjustable height up to 3060mm. It is the perfect alternate to a trade show booth or pop up display. Due to its large height, assembly is easiest when you set up along the floor and then stand the display up. Also thanks to its telescopic capacity, the roll up Mont Blanc can be used in any other smaller places, with a minimum height of 1700mm. It comes with a carrying bag. It is perfect for trade shows, convention centers, for press conferences, expositions or for media events.

## INFORMATION

The Poznan A-board frame is made of aluminum so it is lightweight and resistant to rusting and it is available on black or silver color. It has a 32mm width profile with click system, so the graphic change is quick and simple. Thanks to its double-sided frame and its 1800mm height this A-Board is ideal for advertising large offers, menus, information maps, etc. outside or inside your business. It includes a weather resistant antireflection sheet so it is also non-glare which allows it to be read under bright lights.

### INFORMATION

The Mikonos Sidewalk features a lightweight aluminum structure with a refillable plastic base that assembles in seconds (It is 3.95kg weight and it can be filled with 17l of water or sand). Also, the Textile Boards are also simple to setup. All the aluminium poles fit together and snap into base. Simply stretch the wrap over the completed base and it's ready to use. The aluminium structure is affixed to the base with 2 large springs, so it stays stable in windy conditions. Built-in wheels also make this board easy to move as needed. A Nylon Carrying bag is included for an easy storage and transportation. Ideal for denoting your business with the innovative design and versatility of textil printing. TheSidewalk is ideal for being used inside or outside of your restaurant, workshop, street stall, supermarket or heavily-trafficked areas such as trade shows, events or conventions.
